
2015 Viewmount Court Enderby British Columbia

Enderby / Grindrod

$639,000

People are starting to discover what locals love about Enderby. Walk downtown for lunch or head out on the rail trail, with the beach, ball diamonds and rec centre all close by. Back home, friends can pull up a stool at the 8-foot kitchen island while you get dinner going. The kitchen opens to the dining area and living room, creating a welcoming space where the conversation can carry on out to the covered patio. Quartz countertops throughout, a stylish powder room and large double garage round out the main floor. Upstairs, the primary suite is the room you won't want to leave. Take your time getting ready in the ensuite, featuring dual sinks and a walk-in shower, then pick out the day's outfit in the walk-in closet. Two more generously sized bedrooms have room for desks or toys, and the second full bathroom offers plenty of space for the family. Laundry is right down the hall, and the nook at the top of the stairs could fit a compact desk or a kids' reading corner. With 1,790 sq. ft. of living space per plan, RV parking and a level lot with room to play, this brand-new two-storey brings buying new within reach. (id:6769)
