Upper Mission

$999,000

OPEN HOUSE SUNDAY NOVEMBER 29, 1-3PM. Welcome to 499 Okaview Road! Great location on an XL corner lot in the desirable community of Upper Mission. This bright and spacious grade-level entry home with plenty of room for a large family offers beautiful vaulted ceilings, large windows with framed lake and mountain views, an abundance of natural light and hardwood floors. The upper level features a spacious eat-in kitchen, three bedrooms, including a generous primary bedroom with walk-in closet and 3-piece ensuite, plus a full main bathroom. Enjoy seamless access from the kitchen to the large deck, with additional covered and uncovered outdoor spaces perfect for entertaining or simply taking in the Okanagan surroundings. The lower level offers excellent suite potential, with a separate ground-level entrance and an easy opportunity to create additional living space for extended family or a mortgage helper. Outside, the extra-large lot feels almost like a double lot, featuring a fenced side yard, established fruit trees, and plenty of room for gardening, children, and outdoor enjoyment. Parking, storage, and workspace are exceptional, with an attached storage space that could be converted to a garage, detached workshop or studio, and carport. Enjoy the peaceful, semi-rural feel of Upper Mission while being just a short walk to the local elementary school, community park, and nu...
