

3820 Wetton Road West Kelowna British Columbia

$6,250,000

3820 Wetton Road -- a private 12.68-acre estate above West Kelowna, with panoramic views over Okanagan Lake and the mountains beyond. The main residence offers 8,434 sq ft of finished living space, with 9 bedrooms and 9 bathrooms. Substantially rebuilt above its original foundation (circa 2014, per the sellers), it pairs the scale of a much newer home with an established, mature setting: a great room and formal dining room for entertaining, a chef's kitchen with breakfast nook, a primary suite oriented to the lake views, and a finished lower level with its own full kitchen, dining and rec room -- ideal for extended family or guests. Two wood fireplaces, a wood stove, and gas forced-air heating on each floor. Above the garage wing, a 1,365 sq ft enclosed unfinished room -- windows, doors and roof in place -- awaits its next chapter: studio, gym, theatre, or additional living space. Below, brick-floored wine and storage rooms and a cold room speak to the property's working-estate roots. Outside: an in-ground heated pool with diving board and pool terrace, an orchard of apricot, plum, cherry and walnut trees, and open acreage zoned A1 Agricultural within the Agricultural Land Reserve -- room for gardens, horses, or a private vineyard. A separate second residence (approx. 1,020 sq ft, 2 bed / 1 bath) serves guests or family. Five-car garage plus extensive additional parking. Municipal sewer; community water with a licensed creek diversion for irrigation. (id:6769)
