TEAM HAMER-JACKSON FROM RE/MAX PRESENTS this amazing opportunity to purchase this fully serviced unobstructed lake view lot. Incredible views of Okanagan lake and is the last undeveloped lot near the end of the street. Can bring your own builder. With the removal of one small tree and a few bushes the view from the deck on the new house to be built will be stunning! Must do all your own proper due diligence with the city of Peachland regarding any building codes and guidelines etc. Nice spacious lot on .24/acre. Will be sutable for walk out rancher. Very rare to find lakeview lot anywhere priced like this. Be quick! All services including sewer at lot line!
