

1429 West Kelowna Road 2 Kelowna British Columbia

West Kelowna Estates

$1,600,000

Nestled within an exclusive gated community within walking distance of endless hiking trails, this spacious home features panoramic views of Lake Okanagan and the shimmering lights of Kelowna's evolving downtown skyline. This walkout rancher features expansive main-level living, with high ceilings and extensive built-in cabinetry. The open-concept design offers a large kitchen fitted with granite counters, an oversized island & breakfast nook, opening to the generous living room. A proper dining room & home office provide added flexibility. The elegant master suite boasts a gas fireplace, a spacious ensuite with a steam shower, and a walk-in closet. The sprawling deck provides stunning panoramic views, looking over the lush, newly landscaped tiered backyard. The lower level offers incredible entertaining space, with a media area and separate sitting area, a games room with space for a pool table, plus two additional bedrooms. This space transitions to a fully irrigated yard with room for a pool. The spacious triple garage has room for all the toys! This property is a wonderful combination of incredible views, privacy, and quality. Vendor financing options available. (id:6769)
