Kelowna North

$735,000

A DISTINCTIVE TAKE ON DOWNTOWN LIVING. Thoughtfully designed with TWO outdoor spaces & just one shared wall, this unique residence offers a refreshing departure from the typical downtown offering. Three exterior walls with window exposure invite abundant natural light, while north & south-facing outdoor spaces offer flexibility throughout the day. The fully fenced backyard is ideal for pets, with a second outdoor space to unwind. The intelligently designed floor plan makes excellent use of every square foot, with no wasted space. Inside, a full-size kitchen features abundant cabinetry & generous workspace, while the versatile upper-level flex space is ideal for a naturally lit home office, media lounge or additional sitting area without sacrificing a bedroom. Convenient upstairs laundry adds to the functionality. A secondary rear entrance leads into a dedicated mudroom, a rare feature for this style of home. An expansive crawl space beneath the entire footprint provides exceptional storage. Window coverings are installed throughout & a detached single-car garage is just steps away. The self-managed strata keeps fees affordable, covering city water & building insurance. Set along Stockwell Avenue, one of downtown Kelowna's more elegant residential streets, with recently upgraded sidewalks, you're a short walk from restaurants, cafes, shops & waterfront amenities.
