

2930 Moray Street Armstrong British Columbia

Armstrong/ Spall.

$699,000

*** For more information, please click Brochure button. *** Beautifully updated 4-bedroom, 2-bathroom home blending modern style with functional family living. Move-in ready with a long list of recent upgrades, including a new roof, Hardie siding, new AC system, windows, exterior doors, flooring and fresh interior paint. Enjoy a spacious primary suite with a private ensuite and thoughtful built-in organization at both entrances to help keep everyday living tidy and practical. The kitchen offers mountain views from one sink, while the second keeps your more work-oriented kitchen partner busy. The 145' deep lot allows for a generous backyard layout. Relax on the covered patio with newly finished concrete in the fully fenced backyard, or head to the newly constructed, fully permitted 14' x 18' workshop--a great space for any hobbyist or DIY enthusiast. Need more room? The unfinished basement offers plenty of additional space and potential. With extensive updates, functional spaces and room to grow, this home offers the best of both worlds: move-in-ready comfort with plenty of opportunity to make it your own. (id:6769)
