
1748 Large Avenue Kelowna British Columbia

Black Mountain

$799,000

Room for everything at 1748 Large in Black Mountain! Parking is never a problem here. There are three driveways, a single-car garage, and 30-amp RV parking, so the boat, the trailer, the RV and the extra vehicles all have a spot. The big upgrades are already done. A new on-demand hot water system and a new heat pump keep the home efficient and comfortable all year. The washer, dryer, dishwasher and newer kitchen appliances are all still under warranty, so you can move in without worrying about replacing anything. The backyard is ready for real living. Relax in the hot tub or under the covered patio, grow your own food in the garden, and collect fresh eggs from the chicken coop. Both the backyard shed and the kids' playhouse have power, so the shed works as a workshop and the playhouse is ready for the kids. All of this sits in sought-after Black Mountain, close to schools, shopping and the trails. If you've been waiting for a home with space, upgrades and a yard that does it all, this is it. (id:6769)
