Penticton Apex

$589,000

Experience authentic alpine living in this stunning top-floor condo at The Silver Bullet Inn, offering true ski-in/ski-out access at Apex Mountain Resort. Boasting soaring vaulted ceilings, rich natural wood finishing throughout, and cozy stamped concrete with in-floor radiant heat, this unique mountain retreat is designed for comfort and style. The bright, open-concept main level features expansive windows that flood the space with natural light while framing breathtaking views over the Grandfather Trail and down the Apex valley. Gather around the stone gas fireplace in the living area, or prepare apres-ski meals in the full kitchen equipped with stainless steel appliances. The main floor also includes a spacious primary bedroom, second bedroom, a full bathroom, and sliding glass doors leading out to a large deck. Upstairs, a massive 400+ sq. ft. loft provides incredible versatility as a second living space, recreation area, or generous extra sleeping quarters for family and guests, complete with its own full bathroom. Sleeps up to 10 people. After a day on the slopes, unwind in the hot tub on the south-facing patio while watching the kids play in the snow. Located just a short walk from the Apex Village centre and a quick drive to cross-country skiing and snowshoe trails at the Nickel Plate Nordic Centre. Measurements taken from i-Guide.
