Quick possession! This executive home is nestled on a 7.5-acre lot in the country but is only a few minutes' drive from downtown. This property has 5 generous size bedrooms, 2.5-bathrooms and a two-door detached garage, that is heated and wired. The kitchen is fit for a chef and adorned with elegant granite countertops, a pantry, a dining area with direct access to the back deck and BBQ area. The primary bedroom has a walk-in closet, and an ensuite bathroom. This home offers a massive recreation room and a bonus room for an executive office or at-home gym. Other features include a backup generator system, a custom sized water softening and water filtration system, an outdoor activity structure with a zip line, a play cabin and a pond that transforms into a private skating rink in late fall.
