South Kamloops

$514,800

Quality concrete and steel construction, premium forced-air heating and central A/C, and TWO SIDE-BY-SIDE UNDERGROUND PARKING STALLS set this top-floor corner unit at Mission Hill apart from the competition! Unlike many other condo developments, this building offers year-round comfort with forced-air heating and central air conditioning, with heating, cooling, and hot water all included in the monthly strata fee. The second underground parking stall alone represents over $40,000 in added value. Offering 1,065 sq. ft., this beautifully maintained 2-bedroom, 2-bathroom home features an open-concept layout, engineered hardwood flooring, granite countertops, stainless steel appliances, and a spacious island kitchen. Enjoy panoramic river, mountain, and city views from the covered 11' x 9' deck with gas BBQ hookup. Additional features include two full bathrooms, in-suite laundry, custom blinds, and a storage locker. Conveniently located minutes from TRU, Royal Inland Hospital, shopping, and downtown Kamloops. An exceptional combination of construction quality, comfort, and value! (id:6769)
