885 Wintergreen Drive Kelowna British Columbia

Lower Mission

$979,000

Welcome to 885 Wintergreen Drive, perfectly located in Kelowna's highly sought after Lower Mission, one of the city's most desirable communities. Just a short walk to top-rated beaches, excellent schools, Okanagan College, trails, parks, and recreation, this is a prime setting for families and those who love an active outdoor lifestyle. This beautifully updated home features three bedrooms and three bathrooms with bright, open living spaces flowing into a modern kitchen, ideal for everyday life and entertaining. Step outside to a private low-maintenance backyard with a covered patio, new sod and lawn soil from 2023, irrigation updates, a garden wall built in 2022, and an RV parking pad added in 2024. Comfort and efficiency are enhanced with a new high-efficiency air conditioning system (2024), new ceiling fans (2024), repaired gutters (2023), refreshed insulation (2022), and energy-efficient windows installed in 2025. Smart home features include a Nest Yale smart lock, automated garage door compatible with Google Home, Alexa, or Siri, and Google security cameras including a doorbell cam and garage floodlight camera. Fibre optic internet availability and an automated water meter reader installed in 2025 add convenience and modern functionality. With an attached garage, 4 ft crawl space spanning the entire bottom floor for extra storage, driveway parking, and an unbeatable Low...
