Set on a landscaped 0.37-acre hillside lot backing onto green-space in Bella Vista, this 1971 home offers mountain and valley views, a peaceful setting and a flexible two-level layout. Step into the living room, where beautiful mountain views set the scene. Nearby, a breakfast nook opens to the spacious kitchen with updated appliances, and the flow continues into the formal dining room and family room with a gas fireplace. A large multi-season sunroom adds a bright place to relax through much of the year. Three bedrooms and a three-piece bathroom complete the main floor. Downstairs, a large recreation room with big windows and a wet bar is joined by a fourth bedroom, a three-piece bathroom, laundry and a multi-person sauna--a retreat in your own home.
