

6236 18 Street Calgary Alberta

\$529,900

Great investment opportunity. Green line (Lynnwood/Millican Station) will be build just 5-10 minute walk (estimated completion year is 2027) and a bus station will be right beside it. Convenient store and bus to chinook, downtown, grocery store is just a couple houses away. This is a really good location and is close to everything. With the green line and bus stations being built in just 4 years there's a high chance the price to skyrocket. Lot is also zoned R-C2, one of the cheapest areas, if not the cheapest in Calgary where neighbourhood is zoned R-C2. Currently the house has 9 bedrooms and is fully rented. All bedrooms have egress windows and interconnected fire/carbon monoxide detectors! Many of the tenants have been there for over a year and would like to stay but also open to moving out if buyer wants to do something else with the house. (id:6769)
