\$829,000

This exceptional home is now offered at an improved price. Welcome to 2067 Brightoncrest Common SE, a stunning, fully developed 2-storey home that combines space, comfort, and a prime location on the largest lot currently available--and one of the biggest to hit the market in New Brighton in recent months! While lot sizes in Calgary's vibrant new communities seem to keep getting smaller, this impressive property, measuring approximately 630 square meters, offers a rare opportunity to own an oversized yard--more than 200 square meters larger than the average lot in the area. The kitchen flows seamlessly into a bright living room, featuring a gas fireplace and large windows that offer views of the massive backyard--great for keeping an eye on your children as they play. Upstairs, you'll find three generously sized bedrooms, a conveniently located laundry room, and a versatile bonus room with striking vaulted ceilings. The primary retreat boasts a walk-in closet and a well-designed 5-piece bathroom with dual vanities, perfect for ensuring everyone has enough room during busy mornings.
