Discover your river view sanctuary in Mission—a stunning 2-bedroom, 2-bathroom condo on the 4th floor of the prestigious Riverscape building. This bright and airy residence invites you in with an abundance of natural light and peaceful views of the Elbow River. A private entry keeps your laundry and storage separate from the sleek, contemporary kitchen. The crisp quartz countertops and chic backsplash perfectly complement the clean, bright aesthetic, making this kitchen as functional as it is beautiful. Built-in appliances create the perfect area for entertaining. The kitchen seamlessly flows into the spacious dining and living areas, where large windows frame the view of the river. Just off the living room, step out onto your expansive balcony and take in the stunning views—an ideal spot for your morning coffee or an evening glass of wine. Retreat to the serene primary bedroom, thoughtfully located on the opposite side of the condo for maximum privacy. This spacious room easily accommodates a king-sized bed, a cozy reading nook, and additional furnishings. The walk-through closet, customized with built-in organizers, leads you to the ensuite. The second bedroom offers versatility, perfect for guests or as a stylish home office, with a second bathroom conveniently located just across the hall. Adding to the convenience, the in-unit laundry is tucked away in a large entryway closet, with ample room for further storage. This condo also includes a secure underground parking stall and a storage locker, ensuring all your needs are met.
