

303 Coral Sands Terrace Calgary Alberta

\$769,900

YUGE price improvement! Fully Renovated and Updated! Better than new! Even nicer than the pictures...

Meticulous homeowners have made improvements totaling over \$100k in the last few years including new triple pane windows, HWT and furnace, central A/C, updated exterior, new landscaping, hot tub and more. Ultra modern renovated layout and classic split level architecture combine to create a beautiful open space with cathedral-like vaulted ceilings flooded with natural light. Man-Cave oversized garage is heated and insulated, with epoxied floor and room for all your toys and tools. Don't miss out on this one of a kind family home. Sellers are sad to say goodbye but have outgrown it and must move. Their loss is your gain! (id:6769)
