\$1,050,000

A rare offering in the heart of Discovery Ridge, tucked away on a cul-de-sac, just steps from the trails of Griffith Woods Park. This beautifully maintained two-storey walkout features a fully legal basement suite and over 3,400 sq.ft. of thoughtfully designed living space -- perfect for families, multi-generational living, or generating rental income. The main floor showcases a dramatic 18-ft vaulted foyer, warm hardwood floors, and an open-concept layout ideal for both everyday life and entertaining. The kitchen was renovated in 2024, reimagined with sleek quartz countertops and a more open, highly functional layout. Adjacent to the bright dining nook is a west-facing deck with a new covered pergola -- the perfect place to unwind with sunset views and fresh air. Upstairs, the expansive primary suite offers vaulted ceilings, a private sitting/flex area, dual walk-in closets, and a spa-inspired 5-piece ensuite with oversized tiled shower, dual vanities, and a dedicated makeup counter. Two more generously sized bedrooms and a 4-piece bath complete the upper level. The walkout lower level is a true differentiator -- a fully self-contained legal 2-bedroom suite with a separate address (327B Discovery Place SW), a renovated kitchen, living area, full bathroom, and private entrance -- ideal for extended family, live-in nanny, or consistent rental income. Few homes in the area offer this level of flexibility and value. Additional upgrades include: new furnace (2020), central A/C, LED lighting, new washer & dryer, and an EV charger in the double attached garage. Living in Discovery Ridge means more than just a home -- it's a lifestyle. Surrounded by the natural beauty of Griffith Woods and the Elbow River, this community offers endless outdoor recreation, top-rated schools, tennis and pickleball courts, and quick access to Stoney Trail and Glenmore.
