Welcome to this impeccably maintained bungalow, located in a sought-after neighbourhood. This home stands out with its lovely curb appeal, featuring well-developed, manicured trees, shrubs, and underground sprinkler system that keeps the landscape vibrant and lush. Inside, you are greeted by a spacious living area that seamlessly flows into a large dining space, creating an open and inviting atmosphere for entertaining and daily living. Beyond the kitchen and dining area is a beautiful, heated sunroom by Four Seasons--an exquisite addition to the home ideal for morning coffees, cultivating plants, hosting dinners, or unwinding with a book. It features three operable windows that invite a delightful breeze, perfect for enjoying the seasons.
