As you enter this "open concept floor plan", the first features you'll see are the gorgeous wide plank floors, the 9 foot high ceilings, a cozy fireplace and elegant metal railing on the staircase. The spacious living room allows for casual family gatherings or a fun movie night. The dining room is located in the middle of the home and has the capacity to fit a large dining room table. The kitchen is at the REAR of the home and has an island with eating bar, a pantry, quartz countertops, Slim Line lighting and pendant lighting. The mudroom has a bench and hooks for jackets. The upper floor has a huge primary bedroom that has a walk in closet and a 4 piece ensuite bathroom which includes a 5 ft. wide TILED shower and 2 sinks. The 2 spare bedrooms are at the back of the home where you'll also find a 4 piece bathroom. The laundry room is on the upper floor as well. The basement is undeveloped but can offer enough space for a future 4th bedroom, a 4th bathroom and a large recreation room. As you enter the backyard from the mudroom an 88 square foot deck is there to get your future backyard plans started. We have provided a gas line for your BBQ here. To get you out of Calgary's long winters, a double car garage is waiting for you! Grass will be provided for both the front yard and the back. Energy saving components are triple pane windows, a 96% high efficient furnace, LED lighting, a high end Air Filtration System ( HRV ) and a thermostat that's an "all in one Smart Device.
