

132 Marquis View Calgary Alberta

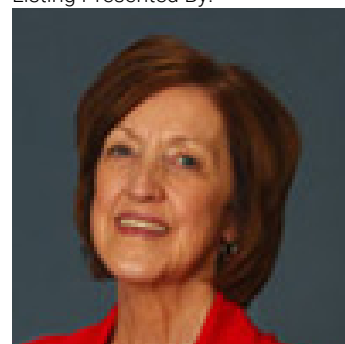

\$1,395,000

Visit this impressive home in a cul-de-sac location, backing onto the Mahogany Wetlands! This family home boasts over 4,100 square feet of developed space, featuring an expansive, open plan perfect for entertaining. Ideal for a large family, the home offers 4 bedrooms on the upper level and an additional one in the lower, walkout basement. The included Kinetico Water System provides excellent water quality in the home. Kitchen features a counter top gas range, stainless steel appliances, a large island with double sink and slide outs in the cabinets. The fully finished basement, professionally developed in 2019, adds to the allure and makes a great place for family guests, senior family members or teenagers to stay. Stay warm during chilly days with the aid of two furnaces. A full deck spanning the back of the home provides ample space to relish the natural settings. For those rainy days, a large, covered patio area from the walkout basement becomes an ideal space for kids to play. Garage is wired for EV recharging. Recent work, totaling over \$15,000 has been undertaken to address issues found during a pre-inspection. Bring your own inspector to confirm the quality and excellence of this remarkable home. Work from home in the secure office space in the basement. (id:6769)
