\$719,000

This exquisite two-storey house on a corner lot in Saddleridge has a wealth of features and upgrades. Upon entering a spacious foyer, I am led to a flex room, a large living area, and a kitchen area. Luxury vinyl planks have been installed on both the main and basement surfaces. On the main floor, the ceiling is 9 feet tall. Pot lights, fireplace, granite counters, upgraded stainless steel appliances, and a gas connection for the stove are now part of the upgraded kitchen. A large deck is accessible by the door in the corner, offering a stunning view of the water pond, greenery, and walking track. There are four bedrooms on the upper floor, with two of them being huge master bedrooms with en-suites and walk-in closets, and the other two bedrooms have a full washroom. A loft that is adequate in size is available for guests to entertain themselves. A separate suite is fully legal as a walk-out basement in this property. There are two bedrooms in the basement: a full bathroom, a kitchen, and a living room. (id:6769)
