Discover this end unit townhouse; a just renovated home facing open greenspace with a private yard in a convenient Northwest location. Here are 5 things we love about this home (and we're sure you will too): 1. **THAT RENOVATION:** An outdated 1970's townhouse that has been completely transformed into a modern and inviting home. Featuring upgraded windows, brand new flooring, brand new magazine-worthy kitchen, walk-in pantry with extra counter space, a modern accent wall entrance, redesigned tiled 4-piece bathroom, custom closets, new interior doors and entrance door. 2. **A FULL-SIZE HOME:** The main floor features a spacious front living room accented by over-sized window, the kitchen opens to the dining area with a spacious walk-in pantry and a laundry area with extra storage space. Upstairs find two, great sized bedrooms. Both have custom closets, with the primary also having a private balcony. 3. **PRIVATE, WEST-FACING YARD:** A rarity in the townhouse market, this home is a corner unit that overlooks a school field, and a clear view of Nose Hill, offering beautiful greenery in the summer. It is complete with a private, fully fenced, westerly exposed backyard (bonus, the condo board is responsible for cutting the grass). The perfect place to entertain, enjoy a coffee, a cocktail or relax at the end of the day. 4. **LOCATION IN THE COMPLEX:** Not only are you a West-facing end unit you are steps to your parking stall and visitor parking while mature trees provide ample privacy. 5. **A PRIME CENTRAL-NORTHWEST LOCATION:** Huntington Hills is a mature, centrally located community in Calgary's Northwest. Residents enjoy close-by shopping, dining, parks and playgrounds. St. Henry (K-6) is across the street, Dr. J.K. Mulloy School (K-4) is just up the road, and Sir John A MacDonald School is walking distance (15 mins). Commuting Downtown or to the Mountains is a breeze with easy access ...
