\$598,000

Welcome to this beautifully designed laned home in the desirable community of Midtown, ideally situated on a rare conventional corner pie lot next to green area & walking trail with excessive outdoor space at the front, back, and sides--perfect for summer BBQs, family gatherings, or a fun play area for the kids. This beautiful North-facing home offers the perfect orientation for natural light lovers -- with abundant sunlight streaming into the backyard from morning to dusk. Whether you're enjoying your morning coffee, tending to a garden, or entertaining guests, the sunlit outdoor space creates a warm and inviting atmosphere all day long. Step inside to an inviting open-concept main floor with soaring 9-ft ceilings and an abundance of windows that flood the space with natural light, keeping it bright and cozy all day long. The layout offers a spacious front living area that creates a cozy ambiance, a dining space at the back, and a gourmet kitchen at the center--truly the heart of the home. The chef's kitchen features ceiling-height cabinetry, a large central island with QUARTZ countertops, premium stainless steel appliances, including a gas stove and hood fan, upgraded lighting with pot lights, plenty of storage & spacious pantry provides additional storage to keep everything organized and within reach. A convenient half bath completes the main level, leading out to a rear deck, a generous backyard, and the concrete pad ready for your future double detached garage. The house also includes upgraded Sound Transmission Reduction Package, featuring upgraded double-pane windows with each pane made of 5mm glass thickness, along with sound barrier bars installed on all exterior walls. Upstairs, you'll find three generously sized bedrooms, including a primary retreat with a walk-in closet and private 4-piece ensuite. The two secondary bedrooms are well-sized and share a ...
