

1323 9 Avenue Calgary Alberta

\$270,000

This is a "One of a Kind" specialty liquor store in historic Inglewood. It is currently the only Caesar focused liquor store in Canada, and has gotten a lot of traction from across Canada and around the world. The store can remain as it is, and can be expanded to include other offerings to increase the cashflow. The store currently offers only local distillers and products, but has the potential to increase the product line to offer just about anything you would like. Take advantage of buying an already approved liquor store and make it into what you would like to run! (id:6769)
