A Home Built Around Family, Ready for Its Next Story. Some homes are just houses – but this one is so much more. This is where a family raised their children, where first steps were taken, where birthdays were celebrated, and where countless late-night talks happened on the front porch. Now, with the kids grown and off building their own lives, it's time for a new family to fill these walls with laughter, memories, and love. Built by Shane Homes and thoughtfully customized, this 4-bedroom semi-detached home in Redstone was designed for both comfort and connection. The homeowners carefully chose builder upgrades that added space where it mattered most – a larger primary ensuite and an expanded walk-in closet to create a true retreat. Downstairs, the fully finished basement became the heart of family gatherings, complete with a wet bar, and space for a fridge and wine cooler – perfect for movie nights, game days, and holidays. Every corner of this home shows the pride they took in maintaining and improving it: low-maintenance turf in the front yard, stamped concrete walkways leading to the backyard, a private side entrance for future flexibility, and a detached garage with alley access. Even when hail came through, they made sure every repair was done – this home has been cared for at every turn. You'll find thoughtful touches throughout: central A/C to keep summers comfortable, a water softener for everyday ease, a fenced yard for kids or pets to play safely, and a beautiful front garden that greets you as you come home. And with Redstone's endless walking paths, parks, playgrounds, and quick access to the airport, this is a neighborhood designed for both busy mornings and peaceful evenings. Now clean, move-in ready, and waiting for its next chapter – this home is ready for you to fall in love, just like they did. Book a showing or come visit us at the open house, c...
