\$489,900

Welcome to this charming bungalow, nestled on a quiet street across from a park in the desirable community of Woodbine. The main floor offers 3 bedrooms, 4-piece bathroom, a bright and airy living room with a large picture window, and a cozy wood-burning fireplace with a log lighter. Completing the main floor is a well-equipped kitchen with ample cabinet and counter space. The home could use some cosmetic updates, but key improvements have already been made, including a newer roof and hot water tank (2018), along with window replacement in 2019 (except the living room). The lower level expands the living space with a spacious rec room, an additional bedroom, 4-piece bathroom, laundry room, and extra storage. Outside, you'll find an expansive west-facing backyard with a deck, perfect for relaxing or entertaining. This home offers a functional floor plan, and endless potential!
