Built by Daytona Homes, this residence combines modern comfort with a layout that delivers both function and style, perfectly suited for families or anyone looking for a little more breathing room just outside the city. Step inside and you're immediately welcomed by a bright foyer that sets the tone for what's to come. Just off the entrance, a two-piece bathroom is conveniently placed for guests, and around the corner, a mudroom off the double attached garage helps keep the everyday clutter tucked away. A walk-through pantry connects directly into the kitchen, adding ease and efficiency to grocery runs and meal prep. At the heart of the home, the kitchen features a large central island, ideal for casual meals, baking days, or catching up over coffee.
