

## 1704 Edmonton Trail Calgary Alberta

\$195,000

This is one of the original Calgary Steakhouses, with over 50yrs of serving Calgary families! It's time for the owners to retire and turn this location over to a new operator. This is a full service restaurant and a bar / lounge with VLT's which can be maintained in it current form or changed to a new concept. They have a great reputation in the area and do a good pickup and delivery business with their pizza as well. There are lots of different things that you could do with the store, bring your concept and get rolling! (id:6769)
