

1816 Glasgow Drive Calgary Alberta

\$799,900

Welcome to 1816 Glasgow Drive SW in the beautiful community of Glendale—one of southwest Calgary's hottest spots to live. This home has had extensive renovations inside, but let's start outside because... WOW. The oversized lot is incredible. There are multiple areas to entertain, tons of space for kids to play, and a detached double garage. You'll find a huge flagstone fire pit area surrounded by mature trees for privacy, two more seating areas, and a gorgeous built-in swing. Inside, everything's been redone. The bathroom is a standout, with a whitewashed pine vanity and stunning tile work. The kitchen has been opened up with a quartz island and granite perimeter countertops, plenty of cabinetry, and updated flooring throughout. Fresh paint, barn doors, and quality finishing details pull it all together. The third level features a great entertainment room, a three-piece bath, and a gym space. On the lower level, you'll find the fourth bedroom plus a mechanical room with updated systems and electrical. The roof is newer, there's central AC, and no detail has been overlooked.
