\$275,000

Welcome to #106, 1817 14a St. SW, a beautifully upgraded Bankview loft condo. The best part about a loft is the soaring ceilings and 2 storey windows that let in a pile of natural light, which is even better when they are west facing like this awesome spot. There are two balconies too, including a private outdoor area just off the primary bedroom on the upper floor. The second bed is on the main floor, and could be a space used for a gym, office, or whatever you need if you didn't want a second bedroom. There is ample storage, with 2 in-unit. A wood burning fireplace highlighted by stone is the highlight of the main room. The loft is ideal for an office or reading nook. The bathroom has been completely remodeled. It's a pet friendly building, and is ultra unique. You are also just steps away from all of the action on 17th avenue's entertainment district, but far enough away to enjoy some peace and quiet in the city.
