Impeccable construction, attention to detail, great curb appeal, and space to spare...this gorgeous FIVE BEDROOM/4 BATHROOM home built in 2019 boasts a touch under 3300 SqFt of developed and well-designed living space that's perfect for your growing family! The upscale styling is versatile enough to suit almost any taste. The open concept main level with 9-foot ceilings, has a den/office, gourmet kitchen with quartz countertops, full height cabinetry, large central island, UPGRADED stainless-steel appliances (that include, a countertop gas range, built-in microwave, wall oven, refrigerator with ice and water dispenser, and built-in dishwasher) and walk-through pantry. The large dining area is adjacent to the living room with gas fireplace. There is a well-sized mud room and 2-Pc powder room. Upstairs has 4 bedrooms and features a design that presents a "winged effect" where the 3 secondary bedrooms are on the opposite end of this level with a central bonus room to serve as a buffer, creating privacy between the primary bedroom and the other bedrooms. The primary bedroom has a spa-inspired ensuite with dual sinks with generous space between them, a deep soaker tub, oversized shower stall, and a large U-shaped walk-in closet. Another full bathroom and laundry room complete this level. The basement also has 9-foot ceilings, and is professionally developed with a MASSIVE family room, large wet-bar area, 5th bedroom with double closets, a full 4-Pc bathroom, and storage. Fully landscaped, completely fenced, CENTRAL A/C and all of the features of this home make it "THE COMPLETE PACKAGE" and is in mint move-in condition. You would be proud to call this home...YOUR HOME! (id:6769)
