

19 28 Avenue Calgary Alberta

\$749,900

This place is built to perform--Totally overhauled with triple-pane windows, A/C, full plumbing and electrical overhaul, 200 AMP service, recessed LED lighting, and 10G Ethernet wiring. Roof, furnace, water purification & softener? All top-tier. The eat-in kitchen is a showstopper with a gas stove, dual fridges, and high-end finishes, all lit by a sunny corner window. Luxury vinyl plank flooring keeps maintenance easy, while the live-edge fireplace mantle adds a rugged touch. Work-from-home? You've got an office with sunroom access. Need to unwind? Hit the authentic cedar sauna or soak in the hot tub, perfectly tucked into a private, fully fenced backyard with a multi-tiered deck and mature landscaping. Storage is insane--830 sq ft of well-lit attic space plus a shed. Finished basement with a rec room, two bedrooms, laundry, and that killer sauna. Unbeatable location--walk to Repsol Centre, Stampede Park, Elbow River, the shops of Mission, Macleod Trail and downtown. This is a serious home in a prime spot.
