Such a Stunning Location!!! Spacious & beautiful, this 3 bedroom town home features hardwood floors everywhere other than the carpeted bedrooms & upper tiled bathrooms . We use the 3 bedrooms as principal & spare bedrooms + an office. Conveniently, this town home is easy to Lock & Leave just as much as it is to enjoy being at home. You can also have your nieces, nephews & grand-children, etc visit or stay whenever you please in this 18+ home. There are many walking & forest paths, golf lessons & a golf game on your doorstep, a trip to the mountains in 45 minutes or dinner in the city - all are nearby. The kitchen is every ones dream with fun times spent baking, cooking or even using the computer in the corner. The wonderful kitchen features ceiling height cupboards with a decorative moldng, so much counter space, an almost 9 ft island w eating bar, a corner pantry & upgraded stainless steel appliances. The dining room can easily fit extended family & friends for those animated dinners. Upstairs is the spacious principal bedroom featuring 2 closets, one for him and one for her, those amazing views flanked by the plantation shuttered window and an en-suite bathroom featuring a walk-in shower. Bedrooms 2 & 3 each have a closet, plantation shutters and share the family bathroom featuring a bath/shower. The upper level also features the laundry room with washer and dryer.
