

2816 11 Street Calgary Alberta

\$480,000

Calling all accountants, lawyers, and other professionals in need of office space! This is the perfect starter or expansion space for you. It includes three private offices, a reception area, an open area, and several workstations. There's also a lunchroom/kitchen and, best of all, a private patio area where you can soak up the sun. You'll have easy access to three parking stalls from the rear entrance of the building. (id:6769)
