If you are looking for a pizza joint and you like something that is funky and cool, this is a great place. The decor is really fun and eclectic, you have to see it to understand it. The kitchen has some amazing equipment and the pizza oven is state of the art! Keep the existing concept, add in a ghost kitchen and you have yourself a pretty sweet little business with great rent! Call for a tour of the space so that you can really understand what you're getting for the money. (id:6769)
