Introducing The Denali 6 by Sterling Homes Calgary - With 9' ceilings on both the main floor and basement, this property exudes a sense of openness and spaciousness. A side entrance enhances convenience and privacy, making it a perfect choice for a multi-generational household or hosting guests. The executive kitchen is a chef's dream, featuring a gas cooktop and built-in stainless steel appliances. The added convenience of a spice kitchen makes culinary endeavors a breeze. One of the standout features of this home is the presence of a bedroom and a full bathroom on the main floor, providing flexible living options for various needs. The maple railing with iron spindles adds a touch of elegance as you move throughout the space. Upstairs, a vaulted ceiling in the bonus room creates an inviting and open area for relaxation or entertainment. The primary bedroom boasts a luxurious 5-piece ensuite, a perfect retreat with all the amenities you desire. *Photos are representative* (id:6769)
