\$350,000

A prime opportunity to live or invest in the heart of Downtown Strathmore. This building was completed in 2018 and has remained in impeccable condition. Experience the embodiment of a truly modern lifestyle with this spacious third floor unit illuminated by natural light from massive windows, expansive vaulted ceilings and an open floorplan. The beautiful chef's kitchen is adorned with designer chestnut cabinetry, quartz countertops, and stainless steel appliances. Adjacent to the kitchen is a large living and/or dining area that offers an incredibly versatile use of the space. Each of the two bedrooms hosts a large closet and both spaces are big enough to fit a king-sized bed. The bathroom features a double sink, toilet, and tub with shower head. The building itself is quiet, well-maintained, and includes a highly efficient monitoring and buzzer system. Condo fees include water, sewer, garbage, heat, common area maintenance, and trash services. The by-laws are currently being drafted, with an opportunity for potential owners to have input on what they would like to see. This building is centrally located, mere steps away from downtown amenities, walking distance to a variety of parks, schools, the public library, and minutes from Strathmore Golf Club.
