Dream Home Estate lot beside STS private school. Just over 4 acres located right between Strathcona Tweedsmere School and the Calgary Polo club. Property has mountain views to the west and is in a private cul-de-sac. This is one of the last acreage lots in the area. Dream big! The neighbouring homes absolutely stunning too! You're about 15 minutes north to the city and 5 minutes south to Okotoks. Feel free to drive out and see it for yourself but please just walk to land. Thanks (id:6769)
