The great room is located at the front of the home with large windows that allow the sunshine to flow through the home all day long. The south exposure provides optimal natural light for a bright and open space. A cozy electric fireplace completes the main living area. The kitchen has a large island with quartz countertops and a very large pantry for everyday convenience. The kitchen overlooks the dining area - making this the perfect spot to entertain. On the second level is a central bonus room that separates the primary suite from the secondary bedrooms.
