\$975,000

Such a gorgeous location in a secluded section of Collingwood, steps to Confederation Park. This wonderful bungalow has gone through a massive transformation and now is very much a modern 2024 home just waiting for you. There are 2 bedrooms on the main and 2 down. Just about everything is new, all with current finishings, quartz countertops throughout the house and high end vinyl on the main. The pictures tell the story. Lovely west backyard with gazebo, oversized single detached with a single carport. This is a house not to miss. (id:6769)
