

5052 Whitestone Road Calgary Alberta

\$579,900

First time on the market for this 4 bedroom, 2.5 bath bungalow in Whitehorn. The home sits on a large (approx. 6000 sq. ft) south facing lot and is beautifully landscaped with mature trees, flowers, shrubs and a lawn that would make most golf courses envious! Additionally, the exterior was painted in 2023 and the roof is approximately 5 years old. Inside, the main floor features 3 bedrooms, a large living room, dining room, and bright kitchen with a skylight and breakfast nook. The primary bedroom is a good size with a 2-piece ensuite. The washer and dryer are located on the main floor which is a bonus. Downstairs you'll find a huge rec/games room, flex room, as well as an additional bedroom and bathroom. Out back, there's a covered walkway leading to the heated garage. A large concrete patio with a gazebo overlooks the backyard which includes a storage shed and RV parking pad. The home has central AC and is conveniently located close to amenities including schools, transit, and shopping. This house is a must see! (id:6769)
