Welcome to 522, where location and legacy converge. Situated in the heart of Cliff Bungalow, this 1910 gem received a thoughtful contemporary update in the early 2000s, seamlessly blending historic character with architectural sensibilities. Vaulted ceilings and an open-concept plan set the tone, preserving the home's original proportions while inviting fresh air and natural light throughout the main floor. The generous living and dining spaces flow effortlessly into a kitchen primed for today's culinary potential. This level also provides a 2pc bathroom for everyday ease. Up on the second floor there are two very generous bedrooms, and the primary boasts a southern patio. The bathroom offers a large tub and walk-in shower next to bedroom two. The spiral staircase takes you up to the third floor and loft-like vaulted room, perfect for a cozy movie or working from home. The basement provides an ample sized rec room, lots of storage and laundry as well as a 3pc bathroom. Outside a private backyard and oversized single garage for a secluded outdoor getaway in the heart of the city and convenience. Beyond its walls, Cliff Bungalow offers unparalleled convenience--walk to cafes, shops, the Beltline, and the river pathways in minutes.
