Rare find in Rockland Park! A duplex that's fully developed, in an amazing street close to the communities coveted "Lodge" HOA association & with SO MANY UPGRADES! As Calgary has grown, it's expanded into the extreme North & South ends of the city, making it harder to buy a NEW home in a central-ish location. I LOVE this about Rockland Park b/c it feels like an EXTENSION OF THE INNER-CITY. You've got easy access onto major roadways, you're surrounded by RIVER VALLEY VIEWS, you catch glimpses of Calgary's Olympic Park & even catch MOUNTAIN VIEWS driving through the community (nature is all around you). On top of that, you're surrounded by the Lynx & Valley Ridge GOLF COURSE, which is just enough of a recipe for good resale prices into the future. But Rockland Park has taken things further. This is a MASTER PLANNED, AWARD-WINNING COMMUNITY that ft. cutting-edge amenities, like an OUTDOOR POOL & HOT TUB, a 6,000+ sqft "Lodge" or residents association w/ an outdoor plaza, cool playgrounds, soccer fields, hockey rinks, firepits & all created w/ the vision of a 4-season approach to amenities & health. But enough about the community! With ZERO duplexes on the market right now & NO quick possessions being released for a while, this might be your last chance to score a duplex here before prices go up! Upon entering, you are greeted by a wide open floor plan w/ an eye-grabbing central kitchen. Built by Brookfield Homes, this home has JUST been completed, has NEVER BEEN LIVED IN & is ready for a quick possession. You've got your living room to the left ft. a BIG TRIPLE PANE WINDOW & an upgraded TV outlet to hide cables, a FULLY UPGRADED KITCHEN w/ built-in SS Samsung appliances (don't forget to check out your fridge), a CHIMNEY HOOD FAN & an oversized island that's perfect for hosting w/ a contrasting QUARTZ COUNTERTOP, a garburator rough-in & your backsplash ft. a beautiful...
