

724 Olympia Drive Calgary Alberta

\$524,900

Nestled on a large lot in the neighborhood, this spacious five-bedroom, two-bathroom home offers a perfect blend of comfort and natural beauty. The property sides and backs onto a serene green belt, with no neighbors directly beside or behind. Step inside to updated renovations throughout, starting with the kitchen. Maple cupboards offer abundant storage, complemented by a tile backsplash and under-cabinet lighting. There is a full set of appliances, both up and down. The home features attractive laminate/hardwood flooring throughout, while a charming bay window provides lovely views of the backyard. The bathroom showcases a luxurious soaker tub and stylish vanity, while the living room is brightened by skylights that invite natural illumination into the space. Outside, you're greeted with a large landscaped backyard, including a brick patio and paved driveway for added convenience. The updated basement offers versatile living options with a fully suited kitchen and separate entrance. This exceptional property presents a rare opportunity to own a home with generous space both inside and out in an affordable Calgary location. (id:6769)
