Exciting Investment Opportunity for Developers and Investors in the Kingsland Neighbourhood! Presenting a prime development opportunity with TWO lots combined for an impressive 65-ft x 122-ft of land, perfectly situated in the highly desirable Kingsland area! Whether you're looking to build single-family homes with the potential for basement suites (subject to city approval) to sell or embark on a larger-scale redevelopment project, this property is ready to bring your vision to life. The property is ready for immediate development - demolition has already been completed, saving you both time and costs. This is an exceptional opportunity to get a head start on your next big project! Both 7302 & 7403 Elbow Drive SW must be included in the sale, so don't miss out on this incredible chance to transform these lots into a lucrative investment!
