

755 5 Avenue Calgary Alberta

\$330,000

Nestled in the heart of Calgary's busy downtown commercial core, this charming European-style cafe is a hidden gem awaiting the right owner or investor. Ukrainian Coffee House has built a loyal clientele with its authentic vibe, handcrafted beverages, and uniquely curated Eastern European menu -- all without the need for an on-site kitchen. With strong profit margins and low overhead, this business is ideal for an investor seeking passive income (existing staff in place) or an owner-operator ready to take over a proven concept. Operations are streamlined: food is freshly prepared off-site in a rented commercial kitchen and delivered daily -- allowing the cafe to focus on quality service, presentation, and ambiance.
