

902 9th Avenue Calgary Alberta

\$15

High-exposure medical office building located in downtown Calgary with excellent visibility and accessibility. The basement level offers 1,860 sq. ft. of functional space, well-suited for a variety of medical, health, or professional service uses. This suite includes two private washrooms for added convenience. One dedicated parking stall is available at \$275 per month, providing valuable access for staff or clients. A strong location in a professional building, ideal for businesses seeking affordable space in Calgary's downtown core. (id:6769)
