

93 Copperstone Common Calgary Alberta

\$450,000

Welcome to this beautifully upgraded townhome, offering comfort, style, and functionality across three spacious levels. Step into the large front foyer and continue into the open-concept main floor, featuring a bright living area and a modern kitchen with granite countertops, stainless steel appliances, a central island, extended counter space, and a convenient powder room. With ample cabinetry, storage is never a concern. Upstairs, you'll find the primary bedroom complete with a walk-in closet and a 4-piece ensuite - a perfect retreat after a busy day. A second bedroom and full bathroom are located just down the hall. The top floor boasts a large, versatile loft space that can serve as a bonus room, office, family room, or second living area. The basement includes a laundry area and additional storage. Enjoy your private front patio and the benefit of being close to all amenities. This well-built, energy-efficient home is a must-see!
