Welcome to this lovely 4-bedroom home with serene pond views in the heart of Springbank Hill. From the moment you step inside, the soaring open-to-above entryway creates an airy, inviting atmosphere that extends into the great room, highlighted by impressive 18-foot ceilings. The bright and spacious kitchen, living room, and dining nook all enjoy unobstructed views of the tranquil ponds of Aspen Landing. The kitchen is designed for both functionality and style, featuring granite countertops, a pantry, and a raised breakfast bar offering ample storage and prep space. The main floor also includes a dedicated home office, a convenient half bath, and a laundry/mudroom with direct access to the double attached garage. Upstairs, the generous primary suite overlooks the ponds and offers a 5-piece ensuite and a walk-in closet. Three additional well-sized bedrooms—one notably large and south-facing—are serviced by a full 4-piece bathroom. The undeveloped basement is a blank canvas for your future plans, complete with a rough-in for a bathroom and an additional laundry hook-up.
